

# INDIA NIGHT 2025

Dear Friend,

We hope this letter finds you well. We at the Asian Indian Women's Organization are beyond excited to announce that India Night 2025 is just around the corner! This year, we are deeply honored to partner with **Compass for Kids—an organization that is not just changing lives but empowering them.**

Since 1991, AIWO has supported local nonprofits that have made a meaningful impact on our community. Because of your generosity, we've helped organizations like **Ronald McDonald House Charities, HSHS St. John's Children's Hospital, Mercy Communities, The Outlet and Wooden It Be Lovely** continue their critical work. But this year's cause is especially urgent.

Childhood should be a time of innocence, growth and opportunity—but for many children in our community, it's marked by hunger, lack of guidance, and lost potential. Compass for Kids is changing that narrative. Through its three core programs—**Club Compass, Camp Compass, and the Youth Leadership Development Program**—Compass for Kids provides not just education and meals, but hope and a path forward.

**The results are staggering:**

- In 2024, 96% of Camp Compass participants maintained or improved literacy, and 89% showed gains in math—defying the odds of summer learning loss that disproportionately affects low-income children.
- 98% of students in Club Compass and 100% of Youth Leadership participants improved their social-emotional skills—building resilience that will carry them through life.
- Over 63,000 meals were provided last year alone, ensuring that no child has to face the school day hungry.

This work hasn't gone unnoticed. In 2024, Compass for Kids was named an "Engage Every Student" Program Champion by the U.S. Department of Education—one of only 13 organizations in the country to receive this honor and the only one in Illinois.

But this work cannot continue without 'your support'. Every child deserves a chance to thrive—and you have the power to make that possible.

We hope you'll join us for **India Night 2025 on November 8, 2025, at 6:00 PM at the Crowne Plaza**. Your contribution will go directly toward expanding Compass for Kids' reach—giving more children the tools they need to break free from the cycle of poverty and succeed in school and in life.

**Join us for an unforgettable evening of Indian culture, vibrant performances, a live auction, and a spectacular dinner.** But more importantly, join us in changing the future for the children in our community.

Because when you lift up a child, you lift up a community.
